

RL0700

LED Reading light, fully adjustable, designed for various types of Airbus aircraft

RL0700

Key features

Electrical

- + dimmable 1-100%
PWM dimming
- + pigtail or connector SJS862400

Mechanical

- + available in satin nickel or 24k gold
- + angle of inclination max. 180
- + fully qualified acc. to RTCA-D0160

Other

- + colour temperatures 3000K, 3500K,
and 4000K
- + light intensity 85 lm at 3500K
- + MTBF >70,000 OH

Technical data

Mechanical dimensions

height	45 mm
diameter	66.5 mm
installation depth	40 mm
panel thickness	7-20 mm
weight	150 g

Electrical data

voltage	28V DC
power consumption	max. 1.5 Watt
