

# CL6250

## Key features

### Electrical

- + 4 step dimming LED:  
100%, 50%, 30%, 10%
- + interface connection:  
6 pin Molex Mini Fit Jr. with one  
bonding wire or without connector

### Mechanical

- + qualified i.a.w. RTCA-D0160 and  
ABD0100
- + mounting brackets: WLC2407

### Other

- + passenger cabin as well as decorative  
lighting
- + lens covers available: flat diffuse
- + colour temperatures available:  
3000 K, 4000 K and 5000 K
- + MTBF > 50,000 OH

## Technical data

### Mechanical dimensions

length	11", 13" - 48" (in 1" increments)
width	22 mm
height	20 mm
weight	Max. 10 g / inch (incl. lens, and pigtail)

### Electrical data

voltage	115 V AC / VF 360-800 Hz
power consumption	max. 0.3 W / inch
